

CoCoA-5 - Support #1430

HTML manual: search using keywords?

02 Mar 2020 14:08 - John Abbott

Status:	New	Start date:	02 Mar 2020
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Manual/documentation	Estimated time:	0.00 hour
Target version:	CoCoA-5.4.2	Spent time:	0.00 hour
Description			
The CoCoA online manual can be searched using keywords; is it possible (or desirable) to do this also for the HTML version?			

History

#1 - 04 Nov 2021 23:17 - John Abbott

- Target version changed from CoCoA-5.4.0 to CoCoA-5.4.2
