

CoCoA-5 - Support #1621

Doc for the various BuiltIn files

18 Oct 2021 11:25 - John Abbott

Status:	New	Start date:	18 Oct 2021
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Manual/documentation	Estimated time:	0.00 hour
Target version:	CoCoA-5.4.2	Spent time:	0.20 hour
Description We need to produce documentation explaining the difference between the various BuiltIn files. When someone wants to add a new function, where should it go? And why?

I have set 5.3.4 as the target version because I think it would be a good idea to have a first version available soon.
No doubt the doc will have to be refined/completed in the future.
