CoCoA-5 - Feature #1648

ApproxSolve and RationalSolve take different input

21 Jan 2022 10:12 - Anna Maria Bigatti

Status:	New	**Start date:**	21 Jan 2022
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Cleaning	**Estimated time:**	0.00 hour
Target version:	CoCoA-5.4.2	**Spent time:**	0.00 hour

Description

ApproxSolve expects an ideal (0-dim) and RationalSolve a list of polynnomials.
Choose which one we want, and modify the other.

History
