<b>Description</b>			
We should review the examples.			
<ul style="list-style-type: none"><li>• some probably need to be updated thanks to new features added</li><li>• some are hard to comprehend (e.g. ex-PolyInput1.C which should more difficult than ex-PolyInput2.C)</li><li>• some lack long descrs (and this looks like a mistake in the index.html presentation)</li></ul>			
This will be a recurring issue. Anyway we should do it at least once!
