CoCoA-5 - Bug #394

problem with ContentFreeFactor (and missing manual entry)

24 Jul 2013 18:02 - Anna Maria Bigatti

Status:	Rejected		**Start date:**	24 Jul 2013
Priority:	Normal		**Due date:**	
Assignee:	John Abbott		**% Done:**	100%
Category:	Manual/documentation		**Estimated time:**	0.50 hour
Target version:	CoCoA-5.0.9		**Spent time:**	0.60 hour

Description

the problem probably is at cocoalib level

2014-04 probably there was no problem, anyway it works fine now and has manual entry

Can I have some details???

#2 - 07 Mar 2014 12:49 - Anna Maria Bigatti

- Category set to Manual/documentation

- Status changed from New to Feedback

- Assignee set to John Abbott

- Target version set to CoCoA-5.0.9

- % Done changed from 0 to 90

I can't remember. Now I cannot reproduce what problem I managed to invent when there was no manual ;-)
Maybe it was a cvs mismatch and my cocoa had crashed (making me unable to be more precise in a rush).
Closing?

#3 - 18 Mar 2014 15:10 - John Abbott

- Status changed from Feedback to Rejected

Since Anna cannot recall what the problem was, and some simple *ad hoc* tests encountered no problems, I shall to "reject" this issue (to see what happens).
