CoCoA-5 - Slug #465

Emacs UI; remove cruft

11 Mar 2014 17:41 - John Abbott

Status:	New	**Start date:**	11 Mar 2014
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Cleaning	**Estimated time:**	0.00 hour
Target version:	CoCoA-5.4.2	**Spent time:**	0.25 hour

Description

There is a lot of cruft in cocoa5.el; most of it should be removed!

There are many commented out keywords in cocoa5-abbrev-table.
I think the following should also be removed: indentation, set, time, unset, using, var
