

CoCoA-5 - Feature #492

New C5 fn for adjusting the warning level

24 Mar 2014 09:50 - John Abbott

Status:	New	Start date:	24 Mar 2014
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	CoCoA-5 function: new	Estimated time:	0.00 hour
Target version:	CoCoA-5.?.?	Spent time:	0.50 hour
Description			
Since C5 has several "warning levels", let the (advanced) user change the level (e.g. in the init.cocoa5 file). Having just a command line flag for setting once and for all the warning level is rather limited. Name? SetWarningLevel?

History

#1 - 24 Mar 2014 10:23 - Anna Maria Bigatti

- Target version set to CoCoA-5.1.0 Easter14

SetWarningLevel sounds good and clear!

#2 - 04 Apr 2014 16:35 - John Abbott

- Target version changed from CoCoA-5.1.0 Easter14 to CoCoA-5.1.1 Seoul14

This should be easy (but you never know!).

Moving to after Easter as it is unimportant.

#3 - 22 Jul 2014 12:38 - Anna Maria Bigatti

- Target version changed from CoCoA-5.1.1 Seoul14 to CoCoA-5.?.?
